AIR FUEL LUBE

HARD WORKING FILTERS GET THE JOB DONE

People depend on you to deliver goods, keep their homes and factories running and help them get where they need to go. Baldwin filters work as hard as you do to prevent unexpected downtime and help you get the job done on time.

- Filters designed to perform as well or better than the OE to protect sophisticated equipment
- High capacity to meet standard or extended OE recommended service intervals

Reduce maintenance costs while getting the service you deserve. Baldwin Filters is your one-source filter provider with high performance, heavy-duty filters that keep your trucks running.
