B40153

LUBE SPIN-ON

Baldwin's B40153 Lube Spin-on is designed to clean oil in Mack® and Volvo® over-the-road trucks using Volvo D13 engines.

The B40153 provides protection with superior dirt-holding capacity and the structural durability to withstand the pressures found in these applications.

The B40153's performance provides protection for the lube system, ensuring you can stay on the road.
